Since
1971

Mission Statement:

To support the art of jazz in all its forms and encourage local jazz musicians, composers and venues by cultivating an interest in jazz through local live performances, youth scholarship opportunities and community outreach throughout the Greater Milwaukee area.

A community of jazz lovers and musicians, Jazz Unlimited has promoted jazz in the Milwaukee area since 1971. Jazz Unlimited is run at minimal cost by member volunteers, with the vast majority of its budget going to support its musical activities and Scholarship prizes.

Jazz Unlimited is unparalleled by offering:

- Performing members a host of outlets, including sit-in jam sessions, for their talents with generous support of local venues.
- Development of local talent through the annual scholarship program. Aspiring high school students compete for \$4,000 in six categories. The winners showcase their talents in an amazing spring recital!
- Renowned international competitions for emerging professional wind, percussion, pianists, singers, and composers through the Douglas M. Gmoser, Chuck Hedges, and Jazz Camp Scholarships.
- Mailed monthly newsletter, providing valuable information with a calendar of events and community interest stories. Jazz Unlimited relies on modest annual dues, augmented by contributions, to cover postage and newsletter production expenses.

Jazz Unlimited of Greater Milwaukee seeks to enrich the cultural offerings of the Milwaukee Area through the sponsorship of jazz concerts and educational opportunities. This would not be possible without contributions from members and donors who share in the vision espoused by the Jazz Unlimited Mission Statement.
